Pagrindinės savybės

- ✓ 1x safety socket
- ✓ With day/night sensor
- ✓ Socket with safety shutter
- ✓ IP20 for protection against contact with fingers or similar objects
- ✓ With LED to indicate the operating status
- ✓ Ideal for automatically switching lights on at dusk and off at dawn
- ✓ Safety plug

Aprašymas

"Socket adapter with light sensor, 1x CEE 7/3" from LogiLink

The light should come on automatically when it gets dark outside? Then use the socket adapter with light sensor from LogiLink. Simply plug the connector into the socket and the plug of the device to be switched on – such as a standard lamp – into the adapter. Thanks to the automatic day and night detection, the socket will switch on when the ambient light is below 20 lux.

Techninė specifikacija

Specifications

Sandėlio grupė

I/O Cards & Adapters [+365][–122]

Power

AC outlets quantity	1 AC outlet(s)
AC outlet types	Type F
Nominal input voltage	230 V
AC input frequency	50 Hz
Nominal current output	16 A
Peak power	3600 W

Ports & interfaces

Power plug	Type F (Schuko)
------------	-----------------

Features

Product colour	White
International Protection (IP) code	IP20
Over current protection	Yes
Power plug type	Type F

Weight & dimensions

Weight	100 g
Width	71 mm
Depth	90 mm
Height	48 mm
