Aprašymas

H15 Pro revolutionizes floor cleaning with GapFree™, using an AI lifting robotic arm for triple edge coverage to eliminate tough front gaps while leaving nearly 0 liquid stains. Its 180° lie-flat performance is secured with unlost suction and 21kPa power effortlessly tackles solid and liquid debris. Featuring the TangleCut™ resilient scraper, the brush easily cuts hair tangles to prevent manual detangling while GlideWheel™ helps you with easy gliding. During self-cleaning, ThermoTub™ immerses and rinses the brush in 100°C hot water and quietly dries it with high-speed 90°C air in just 5min.
