unprecedented capacity.

### **The Power of 6E**

WiFi 6E more than doubles the available spectrum, meaning no more competition over the airwaves.

### **WiFi that Reaches Every Corner**

Experience smooth streams and solid connections from anywhere in your home.

### **Out of This World Speeds**

Reach gigabit speeds so fast you can stream flawless video even as you explore AR/VR worlds.

### **Engineered for More Devices**

No matter how many screens or devices are on at once, the newest generation of WiFi enables congestion-free signals.

### **Intelligent Networking for a Smarter Home**

Deco uses its custom algorithms to automate the connections on your network, ensuring the strongest possible signals at all times.

### **Protect Your Network and Everything on It**

TP-Link's premium security services keep your home network safe with cutting-edge features for network and IoT protection.

Detect cyber threats to keep your privacy and connected devices well protected.

- Real-Time IoT Protection
- Malicious Site Blocker
- Intrusion Prevention
- Home Network Scanner

Manage online time and block inappropriate content to keep families healthy online.

- User Profile by Age
- Content Filter
- Bedtime

## **Control Anyway You Want**

### **Easy Management**

Manage your WiFi at home or away on the Deco app. See every connected device, prioritize your own, and set up a guest network.

### **Voice Control**

Pair with Alexa to control Deco XE75 with simple voice commands. Enjoy the convenient life.

### **All Decos Work Together**

Deco XE75 is compatible with every other Deco model to form a Mesh network. Expand Mesh WiFi coverage anytime by adding more Decos.

- Whole Home WiFi 6E – Cover up to 5,500 ft<sup>2</sup> with next-gen seamless WiFi and make dead zones and buffering a thing of the past††
- Brand-New 6 GHz Band – Experience the latest frequency of WiFi, eliminating interference from all legacy devices. The 6 GHz band also delivers a powerful dedicated backhaul to further streamline the WiFi performance of non-6E devices△
- True Tri-Band Speed – All three WiFi bands work together to unleash your network’s total speeds up to 5,400 Mbps for 200 devices†
- AI-Driven Mesh – Unites your home under one name and password while delivering the best connections as you move room to room\*
