Aprašymas

Get a dose of joy in every ride with T98 Ferrari 296 GTB!

Drive like a real race driver with this Ferrari-licensed racing wheel inspired by the real Ferrari 296 GTB and immerse yourself in thrilling races. The racing wheel's recentering technology and 240° rotation angle with linear resistance allow for precise control of the vehicle, to take winning trajectories and overtake your opponents. The wheel rim and its imitation carbon paddle shifters provide excellent handling, for sporty driving sensations! The selector dial inspired by Ferrari's iconic Manettino lets you switch between the 3 driving support profiles (from the most realistic to the easiest to use) to suit all driving levels, whether you're a beginner or an experienced driver.

T98 Ferrari 296 GTB will make your racing games more immersive and intense, for unforgettable races — on your own, or with family and friends!
