Pagrindinės savybės

- ✓ **MORE STORAGE SPACE:** With the housing for 2.5" SSD or HDD you can easily expand your storage possibilities. Hard drives up to a height of 15 mm find space in the housing
- ✓ **REALLY FAST:** USB 3.0 guarantees you data transfer rates of up to 5 Gbit/s. We have packed the matching USB Type-A cable for you directly with it
- ✓ **ROBUST DESIGN:** The aluminum case provides a safe home for your data. Additional protection is promised by the silicone shell, which optimally absorbs shocks
- ✓ **DOUBLE SECURITY:** Another feature for the security of your data is the write protection integrated on the housing. You simply flip the switch and your data is already secured
- ✓ **ABSOLUTELY SILENT:** In operation, your new hard drive housing works almost silently. The aluminum case provides sufficient cooling and thus a fan can be omitted

Aprašymas

A silent partner

Thanks to the fanless design and the aluminum enclosure, silent cooling is possible. Thus, making the IB-256WP a silent companion through the daily work. The silicone sleeve protects the enclosure from accidentally slipping off the table or, in a worst-case scenario, from damage.

Well protected

The second line of defense is the write-protection. It can be enabled via switch so the data is protected from accidental editing or even virus

infection.

Well connected

The enclosure is equipped with a USB 3.0 interface so it works with most common PCs and Laptops. It can transfer data with transfer rates of up to 5 Gbit/s to the host device and supplies power to the enclosure.
