- ✓ HDMI Female
- ✓ Supports display modes : primary, extended, mirror
- ✓ Supports resolution up to 1920x1080/60Hz
- ✓ Video output 800x600 in USB 2.0 application
- ✓ Aluminum casing
- ✓ **With USB-A plug is not support Audio transfer
- ✓ **Support Windows, MacOS, Android OS

Aprašymas

The Equip 133498 USB to HDMI Adapter (USB-C + A), 1080P HD, is a versatile and convenient solution for extending or mirroring your display from a variety of devices. Thanks to its dual interface input, this adapter supports both USB-C and USB-A ports, making it universally compatible with modern laptops, tablets, and desktops, as well as older computers that still use USB-A. Its compact and lightweight design allows for easy portability and ensures you have a reliable display adapter handy wherever you go.

Supporting Full HD 1080P resolution, the adapter delivers clear and vivid images, making it ideal for presentations, online meetings, video streaming, and general multitasking on larger screens. Whether you're connecting to an external monitor, projector, or HDTV, this adapter guarantees stable performance and smooth video transmission without lag or signal loss.
