Aprašymas

The AK-440 is a high quality, highly reliable keyboard with notebook style key field and integrated trackball for use in industry, apparatus, tool and plant construction, server and kiosk as well as healthcare applications. The small keyboard dimensions save room and cost, but ensure full function at the same time.

The integrated trackball takes the part of the mouse, and allows smooth and precise control of the cursor movement also for untrained operators. With its closed contact system, the AK-440 is inured to splash water and dust.
