Aprašymas

Precise, efficient, high-quality planing with a cutting depth of up to 1.5 mm

The PHO 1500 is ideal for precise and efficient planing. The 550 W motor is perfect for tackling applications up to 1.5 mm deep. The patented Woodrazor blade system enables effortless planing with high-quality results. Maintain a cleaner working area thanks to the single-sided chip ejection system with access for a dust bag or a vacuum cleaner. It is ideal for general planing applications such as doors, windows, worktops, and shelves; and for chamfering edges and removing coatings on hardwood or softwood.

For easy, controlled edge chamfering

The 3 V-Grooves guide the tool effortlessly for easy and comfortable edge chamfering.

For planer blade and work surface protection

During periods of non-operation, the spring-loaded parking rest activates automatically, protecting the planer blade and surface beneath the tool.

Tool guidance and precisely defined cutting depths

The depth adjustment knob acts as an auxiliary handle for enhanced tool guidance and enables a precise cutting depth to be defined.
