Pagrindinės savybės

- ✓ Perfect for hook-up of HDTV, Digital cable, DVR, DVD, Home Theater and works with the new Sony PlayStation 3
- ✓ Supports HDTV resolutions up to and including 1080P, high-conductivity connections for optimum transfer of delicate low-level signals
- ✓ Single-link bandwidth from 165 Mhz(4.95Gbps) to 340 Mhz(10.2Gbps) to support the demands of future high definition display devices
- ✓ Adds additional support for new, lossless compressed digital audio formats Dolby® TrueHD and DTS-HD Master Audio for theater-link, professional sound quality
- ✓ Incorporates an automatic audio/video syncing capability that allows devices to perform this synchronization automatically with accuracy
- ✓ 24K gold contact Turbine connectors provide greater contact pressure for improved conductivity and maximum signal transfer

Aprašymas

HDMI mini cable, InLine®, HDMI A male to HDMI C male, gold plated HDMI 1.3:

This InLine HDMI cable with specification 1.3 is suitable for HD content up to 1080p. If no higher resolution is supported by the connected devices, this cable is sufficient to connect a TV or monitor to a Blu-ray player, games console, computer, notebook or streaming device in HD quality.

Business: Use this cable to connect your PC or laptop to a monitor. Everyday computer tasks or simple multimedia applications such as watching videos or editing images are fully supported.

Television: Connect your TV to a cable and satellite receiver to watch a wide range of channels in high quality (Full HD).

Playback devices: Full HD monitors, projectors and televisions.

Gold-plated contacts

The gold-plated plugs improve the conductivity, durability and corrosion resistance of the InLine HDMI cable. The risk of oxidation or corrosion is significantly reduced. This increases the long-term reliability of the connection, e.g. even in environments with higher humidity. Gold-plated contacts adapt better to the connections and are less susceptible to abrasion and damage when plugging and unplugging. In addition, the higher conductivity can improve signal transmission and therefore picture and sound quality, especially over longer cable runs.

Techninė specifikacija

Specifications	
Sandėlio grupė	Desktop > Video Cables & Adapters [+2032][-276]
Features	
Cable length	0.5 m
Connector 1	HDMI Type A (Standard)
Connector 2	HDMI Type C (Mini)
Connector 1 gender	Male
Connector 2 gender	Male
