Aprašymas

Height adjustable document holder in five steps.

The FlexDoc Cristal Clear is a document holder which is height adjustable in five steps. With a compact surface size of 384 mm x 260 mm the FlexDoc Cristal Clear is also appropriate for your home-office workspace but can also be used in the office. Work in one line and place this ergonomic document holder right in front of you between your screen and keyboard, and position your documents or mobile devices on it. With this document holder you can adapt a healthy posture while reading your documents, and this increases your well-being and productivity at work.
