complex registration, making it the perfect companion for creators on the move.

Unmatched Image Quality Day and Night

Equipped with a large 1/1.3-inch CMOS sensor and dual native ISO, the Mini 3 captures spectacular visuals regardless of lighting conditions. Record vibrant, true-to-life 4K HDR video (3840 x 2160 resolution, 100 Mbps bitrate) that brings stunning clarity and dynamic range to your aerial footage. The camera's wide f/1.7 maximum aperture ensures excellent performance and detail capture even in low light environments.

Extended Flight and Reliable Range

- **Extended 38-Minute Flight Time:** Enjoy significantly longer flights with the upgraded Lithium-Ion battery (2453 mAh), allowing you up to 38 minutes of maximum operating time per charge. Say goodbye to low battery anxiety and capture more content.
- **10 km DJI O2 Transmission:** Experience secure and stable control over vast distances. The DJI O2 video transmission system provides strong anti-interference capabilities, delivering clear live view feed up to 10,000 meters away.
- **Wind Resistance:** Maintain stable flight even in challenging weather, thanks to Level 5 wind resistance (up to 38 kph).

Professional Features for Effortless Creation

The innovative gimbal design enables features specifically tailored for social media content creation, including **True Vertical Shooting**, which instantly rotates the camera to capture perfect portrait shots. Utilize beginner-friendly intelligent features and QuickShots to achieve dynamic, cinematic angles effortlessly. Control is intuitive, with moving control functions including backward, downward, forward, turn left, turn right, and upward.

Fly More Combo with DJI RC Controller

This comprehensive Fly More Combo includes the powerful drone along with essential accessories, such as spare propellers, cables, and a carrying case. It also features the advanced DJI RC remote controller, which boasts a bright 5.5-inch HD display, eliminating the need to connect your smartphone for immediate and efficient operation.

DJI is the global leader in civilian drones and aerial imaging technology, consistently pushing the boundaries of flight and stabilization systems to make complex aerial photography accessible to everyone.

Order today from ++SHOP++ as we offer the best deals and guaranteed authentic DJI products.

Mini Size, Powerful Imaging

DJI Mini 3 features an extended battery life, 4K HDR video, and intelligent features to capture stunning aerial imagery effortlessly.

Stunning Footage at All Hours

With a 1/1.3-inch sensor and dual native ISO, Mini 3 can record 4K HDR videos with true-to-life colors both day and night.

Amazing Results, Effortlessly

An innovative gimbal design allows for a large-angle camera tilt and True Vertical Shooting. Get even more dynamic angles with QuickShots.

Packs Light for Adventures

DJI Mini 3 is foldable and weighs under 249 g. It's easy to take on trips and can fly in most regions without registration.

Go Far With 10km Transmission

DJI O2 video transmission provides strong anti-interference and transmits up to 10 km, so you can travel long distances securely.

38-Min Extended Flight Time

The upgraded battery life allows for a max flight time of 38 minutes . Say goodbye to low battery anxiety and enjoy your time in the air.
