Aprašymas

The SCSEHN2 D-SUB/RS-232 to D-SUB/RS-232 cable provides a reliable 2-meter connection for serial communication needs. This cable is expertly crafted to ensure optimal signal transmission, making it ideal for connecting devices such as modems, printers, and legacy equipment that utilize the RS-232 protocol. MicroConnect brings over 20 years of experience to this cable, ensuring premium quality and dependable performance. Trust this cable to facilitate seamless data transfer between your devices, backed by MicroConnect's commitment to pioneering innovation and European quality standards. Perfect for industrial or home use where a stable and consistent serial connection is critical.
