Aprašymas

Stay Active and Feel Good with the Leitz Ergo Balance Board. Enhance your posture, help reduce back pain and boost energy levels with the high-quality Leitz Ergo Balance Board. Designed for standing desks, this premium wobble board features a balanced 14° tilt that encourages natural micro movements, helping to engage your core and legs while you work. Regular use of this low-impact balance board can strengthen your core muscles, improve balance and promote better circulation and it has been tested and certified by the German Institute for Health and Ergonomics (IGR).

It's ideal for long hours of standing, sitting and even video conferencing to help reduce foot fatigue, improve posture and keep you alert throughout the day. The anti-fatigue textured massage surface supports your joints and muscles, while the removable massage ball offers targeted relief for feet, wrists and shoulders. Features a durable FSC certified wooden base with anti-slip design to ensure safety. Compact in size, this board is easy to carry and store when not in use. It can also be placed under your desk for a soothing wobble while sitting, keeping your feet active even during long periods of sitting.

Its minimalist style fits seamlessly into your home, office or gym, and the built-in aluminium handle makes it easy to transport and store. Boost your productivity, comfort and overall well-being with Leitz. Our mission is to provide solutions that empower individuals to thrive at work and beyond, promoting positive mental health and physical wellness. Combine with other Leitz Ergo products to customise your flexible and individual sit, stand & move workstation. Stay active, feel inspired and enjoy comfort at work and beyond – where human-centric design meets premium quality. FEEL GOOD with Leitz.
