Pagrindinės savybės

- ✓ **Memory Card Reader** - support SD/SDHC/SDXC UHS-I (SD3.0) and microSD/microSDHC/microSDXC UHS-I (TF3.0) with transfer speed up to 104 MB/s. It allows you to transfer photos from a camera, files from a phone, or documents from other devices with ease. Compatible with the most commonly used card formats, this convenience eliminates the need for multiple adapters, saving time and effort.
- ✓ **Type-A with Type-C® Adapter** - This card reader combines two widely used interfaces: an integrated Type-A connector and an additional Type-C® adapter. It allows users to switch between older computers and the latest USB Type-C® devices. Whether you are switching between devices at home or on the go, this feature guarantees functionality and ease of use.
- ✓ **Portable Design** - Compact and lightweight, the IB-CR204-CU3 is built for portability without sacrificing durability. Its small size fits easily into your pocket or bag, making it the perfect companion for traveling or commuting. Its portable design ensures that you can always access and manage your data conveniently and reliably.
- ✓ **USB 3.2 Gen 1** - IB-CR204-CU3 supports USB 3.2 Gen 1 with transfer speed up to 5 Gbit/s. Making it easy for users to move photos, videos and files, perfect for every day use.
- ✓ **LED Indicator** - A built-in blue LED for power and access. The LED lights up when connected to your device, and flashes during data access. Helping to avoid accidental removal.
- ✓ **Multi-LUN** - Access multiple memory cards at once without swapping. With Multi-LUN support, the card reader mounts each slot as a separate drive, so you can read and transfer data from different cards simultaneously

Aprašymas

Memory card reader

The IB-CR204-CU3 makes managing your data simple with support for SD and microSD cards. It allows you to transfer photos from a camera, files from a phone, or documents from other devices with ease. Compatible with the most commonly used card formats, this convenience eliminates the need for multiple adapters, saving time and effort.

Type-A with Type-C® adapter

This card reader combines two widely used interfaces: an integrated Type-A connector and an additional Type-C® adapter. It allows users to switch between older computers and the latest USB Type-C® devices. Whether you are switching between devices at home or on the go, this feature guarantees functionality and ease of use.

Portable design

Compact and lightweight, the IB-CR204-CU3 is built for portability without sacrificing durability. Its small size fits easily into your pocket or bag, making it the perfect companion for traveling or commuting. The portable design ensures that you can always access and manage your data conveniently and reliably.

Specifications	
Sandėlio grupė	USB [+3386][(-35]
Performance	
Compatible memory cards	MicroSD (TransFlash), MicroSDHC, MicroSDXC, SD, SDHC, SDXC
Internal	No
Product colour	Black
Number of memory card slots	2
Data transfer rate	5000 Mbit/s
Housing material	Acrylonitrile butadiene styrene (ABS)
Plug and Play	Yes
LED indicators	Yes
Maximum memory card size	2 TB
Ports & interfaces	
Interface	USB 3.2 Gen 1 (3.1 Gen 1) Type-A/Type-C
Weight & dimensions	
Width	35 mm
Depth	62 mm

Height	11 mm
Weight	23 g
Packaging data	
Quantity per pack	1 pc(s)
Package weight	53 g
Packaging content	
Manual	Yes
Interface adapters included	USB Type-C - USB Type A
Data transmission	
Write speed	170 MB/s
Read speed	170 MB/s
System requirements	
Windows operating systems supported	Yes
Mac operating systems supported	Yes
Linux operating systems supported	Yes
Technical details	
Country of origin	China
Chipset	GL3231
Matmenys ir svoris	
Svoris	0,05kg
