Experience colors exactly as intended. The AOC Q27U3CV features hardware-calibrated precision, achieving a stellar Delta E2 (sRGB) right out of the box, ensuring that colors are rendered with accuracy often exceeding human perception. With the included Calman Ready feature, professional users can easily fine-tune settings for optimal performance.

- **QHD Resolution (2560 x 1440):** Provides vast screen real estate and exceptional detail clarity.
- **IPS QD Panel:** Delivers superior viewing angles (178°/178°) and vibrant, consistent colors.
- **Exceptional Color Gamut:** Covers 98% DCI-P3, 100% sRGB, 107.1% Adobe RGB, and 144.5% sRGB (CIE 1931), making it perfect for color-critical work.
- **VESA DisplayHDR 400:** Ensures enhanced contrast, deep blacks, and brilliant highlights when displaying HDR content.
- **Smooth Performance:** A 75 Hz refresh rate combined with AMD Adaptive-Sync and a quick 4 ms response time ensures smooth handling of dynamic content and fluid multitasking.

Advanced USB-C Docking and Ergonomics

The Q27U3CV acts as a complete docking station, streamlining your workspace and enhancing productivity. Connect your laptop via a single USB-C cable for video, data transfer, and power delivery.

- **Powerful USB-C Connectivity:** Features a USB-C port that delivers 96 Watts of Power Delivery (PD) to charge your laptop or devices while you work.
- **Integrated Hub:** Includes a USB 3.2 Gen 1 hub for peripherals and built-in Gigabit Ethernet networking support.
- **Daisy Chaining:** Easily connect multiple monitors using DisplayPort for expanded setups.
- **Full Ergonomic Stand:** Customize your viewing experience with comprehensive adjustments: height, pivot (rotation), swivel, and tilt, ensuring maximum comfort during long work sessions.

AOC INTERNATIONAL is a global leader in display technology, renowned for producing high-quality monitors catering to gamers, professionals, and everyday users. By focusing on innovation and user-centric design, AOC delivers products that excel in performance and value.

Precision-engineered for graphics excellence with hardware-calibrated precision (Delta E2), calman ready calibration, and stunning IPS QD panel

The AOC Graphic Pro Q27U3CV ensures incredibly accurate colors right out of the box, thanks to its hardware calibration, which achieves a Delta E2 (sRGB). With the Calman Ready feature, you can easily fine-tune the settings for optimal performance. Covering 98% of the DCI P3 color space, as well as 100% of sRGB and Rec 709, it's perfect for graphic and photo editing, offering superior quality compared to standard monitors. Its Delta E2 accuracy guarantees precise color rendering, even beyond what the human eye can perceive. Combined with its IPS QD panel, Vesa DisplayHDR 400, USB-C docking station, and sleek design, it's the top choice for professionals.

Discover the AOC Q27U3CV, a monitor that redefines visual excellence and ergonomic design. With its 27-inch QHD display, you're presented with a canvas that not only brings your content to life with vibrant colors and crisp details but also offers a color gamut that exceeds standards, covering 144.5% sRGB and 136.9% BT.709. This monitor is HDR400 certified, ensuring that you experience HDR content with enhanced brightness and contrast, making every detail pop.

Ergonomics are at the forefront of the AOC Q27U3CV's design. It features comprehensive display position adjustments, including height, pivot, swivel, and tilt, allowing you to find the perfect viewing angle and work comfortably for extended periods. The inclusion of advanced connectivity options such as HDMI, DisplayPort, and USB-C interfaces facilitates a seamless and efficient workflow, catering to both professional and personal use.

The AOC Q27U3CV is not just about visual quality and ergonomics; it's also built for performance. With AMD Adaptive-Sync technology, a 75 Hz refresh rate, and a quick 4 ms response time, it handles action and multitasking with ease, making it an ideal choice for gamers, content creators, and professionals alike. Embrace the future of display technology with the AOC Q27U3CV.
