Pagrindinės savybės

- ✓ Simultaneous charging of up to 6 tablets, smartphones and/or a laptop or Macbook with up to 140W and other USB devices
- ✓ Max. 5V 2.4A charging per USB Type A port, max. 30W or 140W charging per USB Type C port
- ✓ Supports USB Power Delivery: 2x PD 3.0 up to 30W each and 1x PD 3.1 up to 140W
- ✓ Battery Charging Standard 1.2 supports fast charging, Apple Charging Protocol, QC 3.0/4.0 and Samsung AFC supported
- ✓ 2 year warranty

Aprašymas

The Lindy 160W 6 Port USB Charging Station allows charging up to 3 USB devices via Type A and 3 via Type C like tablets, smartphones or a laptop or Macbook. Each USB Type A port can provide up to 5V 2.4A, two USB Type C ports can provide up to 30W each and one even up to 140W to satisfy the most power hungry devices. If all 6 ports are occupied and/or when total power draw is higher than 160W, load balancing will occur.

With its smart charging function and support of many different protocols like QC 3.0 and 4.0 (only Type C ports), Samsung AFC and Apple 5V 2.4A Charging Protocol and BC 1.2 (only Type A ports), this USB Charging Station can recognise the connected device to automatically adjust the charging current for a fast and safe charge.

USB Power Delivery Revision 3.1 enables higher power to applications up to 140W, including larger notebooks, gaming PCs, Macbooks, workstations or Docking Stations. Another 2 Type C PD 3.0 ports with up to 30W each allow fast, flexible and safe charge of smartphones and tablets.

This USB Charging Station also provides overcurrent, overvoltage and short-circuit protection to avoid excessive current damaging the device.

Plastic dividers can be assembled and stood on the top of the unit, which allows different widths for different tablets or mobile phone sizes. This product is perfect for use in schools, libraries, hotels, restaurants or any location that uses multiple devices. Country specific power cables are provided for seamless use of the charging station, ideal for global events or integration into installations abroad.

Techninė specifikacija

Specifications	
Sandėlio grupė	USB [+3386][[-35]
Features	
Type	Freestanding
Number of devices supported	6
Material	Aluminium, Plastic
Product colour	Black, Grey
Operating principle	Contact
Number of compartments	10
Over voltage protection	Yes
LED indicators	Power
Certification	California Proposition 65
Power	
Maximum power	140.8 W
Maximum output voltage	5 V
Output current	18 A
Input voltage	12 V
Input current	8 A
Weight & dimensions	
Width	185 mm
Depth	113 mm
Height	35 mm
Weight	930 g
Packaging data	
Package width	269 mm
Package depth	156 mm
Package height	95 mm

Package weight	1.64 kg
Package type	Box
Packaging content	
Cables included	AC
Manual	Yes
Quantity per pack	1 pc(s)
Ports & interfaces	
USB ports quantity	6
USB Type-A output ports	3
USB Type-C ports quantity	3
Operational conditions	
Storage temperature (T-T)	5 - 35 °C
Operating temperature (T-T)	-20 - 50 °C
Operating relative humidity (H-H)	20 - 80%
Sustainability	
Compliance certificates	CE, Federal Communications Commission (FCC), Low Voltage Directive (LVD), REACH, RoHS
Sustainability compliance	Yes
Other features	
Warranty period	2 year(s)
Matmenys ir svoris	
Matmenys (I × P × A)	27,00cm × 16,00cm × 10,00cm
