Pagrindinės savybės

- ✓ Share four USB 3.0 Super Speed peripherals between 2 computers
- ✓ Audio port for speakers or headphones
- ✓ Switching between computers with a simple button press
- ✓ Plug & Play, no software required

Aprašymas

The Lindy USB 3.0 Sharing Switch 2:4 allows up to 2 users to share up to 4 USB 3.0 peripheral devices without the need to repeatedly swap cables or set up complicated network sharing software. The active computer port can be selected by push button. The switch is ideal for sharing a printer, storage device or webcam in office environments. It also allows to share a conference room presentation system like Barco Clickshare between two users. The USB 3.0 Sharing Switch features a 3.5mm Audio output port for connecting speakers or headphones.

The USB 3.0 Sharing Switch is backwards compatible with USB 2.0 and USB 1.1 devices and supports all USB Type A equipped computers - perfect for use with multiple PCs or Macs. The Sharing Switch features a USB Type C socket for an optional power supply (not included).
