Pagrindinės savybės

- ✓ Designed to mount on the edge of a desk or shelf
- ✓ Free up desk and floor space, resolved under-desk cord clutter
- ✓ Adjustable width accommodates most powerstrips from 50-70 mm
- ✓ Silicone pads provide a firm grip on the powerstrip
- ✓ EVA foam pads protect surfaces from scratches or scuffs
- ✓ Clamps onto surfaces up to 50 mm thick

Aprašymas

Easy to store cables and power strips to keep your desk clean! The clamp mount allows you to attach a power strip directly to the top of your desk or shelf. This gives you a direct access to the power source while preventing cables from tangling under your desk.
