## Sounds like a good time

Good sound is a must, which is why the Yunix offers a cardioid recording pattern and built-in pop filter for crystal-clear sound that captures your voice just the way you want it.

## Live in light

This microphone looks good in more ways than one. With multicolour RGB lighting all around the bottom of the mic, it adds a pop of colour to your setup so you can show off your personality and your skills at the same time!

## Flex your talents

Just like the best gamers, streamers and podcasters, the Yunix is totally versatile. An adjustable angle helps you find the right direction, and convenient microphone mute button and a headphone output give you all the flexibility you need.

## Keep it colourful

Booster Black, Winning White or Playful Purple – the choice is yours! Take your pick from these three dashing colours to find the microphone that best suits your style.
