Aprašymas

The MARM1 is a monitor mount designed for 13" to 32" screens and capable of supporting up to 8kg of weight without any problems. With a fully articulating arm, cable management and adjustable height, this mount is robust, sturdy and offers an optimal visual experience and an organized workspace. Quick and easy installation compatible with VESA75 and VESA100 standards.

CUSTOM FIT FOR EXTREME COMFORT

The MARM1 is much more than just a monitor stand. Discover a new level of versatility by being able to adjust, swivel and rotate your screen like never before, avoiding eye strain and body pain. With the MARM1 monitor arm, you will have complete control over your viewing experience, allowing you to find the perfect angle to fully enjoy every detail.

AVAILABLE IN TWO VERSIONS BLACK OR WHITE

The MARM1 is available in two versions, black and white, so you can choose the one that best suits your workspace.

OPTIMIZED ORGANIZATION AND SPACE

Not only does it support your display, it also optimizes your workspace. Thanks to its integrated cable management system, the MARM1 keeps your cables tidy and tangle-free. Free up and make the most of your workspace while enjoying a perfectly organized setup!

QUICK AND EASY INSTALLATION

The MARM1 is fully compatible with VESA75 and VESA100 mounting standards, ensuring quick and easy installation. In a matter of minutes, you can have your display mounted and secured to the mount arm. With its intuitive design, you'll be ready to enjoy an enhanced viewing experience in no time.

ROBUST DESIGN AND GUARANTEED STABILITY

The MARM1 has been built using high-quality materials that ensure a sturdy and stable structure. You won't have to worry about unwanted movements or uncomfortable vibrations while you work. This stand provides a solid and secure base for your display, giving you peace of mind and confidence in its performance.

ARTICULATED ARM FOR TOTAL ADJUSTMENT

The MARM1 monitor stand goes beyond conventional monitor stands. Its fully articulating arm allows you to adjust your monitor to the perfect angle and height. It reduces eye strain and stress on your neck, shoulders and back, thus improving both your productivity and your well-being.
