Pagrindinės savybės

- ✓ XL stand for laptops up to 19"
- ✓ ARGB lighting with 10 modes
- ✓ 3 digitally controlled fans
- ✓ Smartphone Holder

Aprašymas

Premium cooling stand and base for advanced laptops. Everything you could wish for at your fingertips: spectacular controllable dynamic ARGB lighting, large XL size to support the most powerful laptops, extreme cooling with 3 large digitally controlled fans, stand function with 7 selectable positions and an exclusive stand for your smartphone.

ADVANCED COOLING SURFACE

Equipped with a special metal grille and a resistant ABS structure, the MNBC6 base offers perfect support for laptops of any size up to 19", protecting it from overheating thanks to its 3 large digitally controlled fans, and providing a non-slip surface that helps you enjoy your gaming sessions anywhere.

ARGB LIGHTING 10 LIGHTING MODES

Spectacular ARGB peripheral lighting system with 10 modes to create the perfect atmosphere. Enjoy a spectacular look and protect your laptop at the same time.

3 DIGITALLY CONTROLLED FANS

Control and monitor the 3 included large fans thanks to its LCD control panel, with which you will also control the complete ARGB lighting system.

SMARTPHONE HOLDER

Give your smartphone the position it deserves thanks to the included Smartphone Holder. All your Gaming Setup and communications, organized for maximum performance.

TOTAL CONNECTIVITY

MNBC6 features 2 USB 2.0 ports and a USB power cable, maximizing your dock's connectivity and allowing you easy access to your multimedia files and extra peripherals. Connect your mouse, your headphones, your hub... Everything you need without sacrificing the best cooling for your laptop.

ERGONOMIC STAND WITH 7 POSITIONS

Maximum ergonomics with its complete 7-position stand function that allows you to raise the surface of your laptop to the height you need, achieving new levels of comfort for each of your sessions. Play, write, study and do everything you want with your laptop without worrying about uncomfortable postures or connect an additional keyboard and mouse for a solution comparable to a desktop gaming PC.
