The Samsung Odyssey G5 G55T introduces a new dimension to gaming immersion. This powerful 34-inch curved monitor delivers a stunning UltraWide Quad HD (UWQHD) resolution of 3440 x 1440, ensuring that vast gaming landscapes and detailed textures are displayed with exceptional clarity and visual depth. With HDR10 support, you'll experience enhanced contrast, deeper blacks, and vibrant colors, bringing every scene to life.

Unrivaled Gaming Performance

Designed specifically for competitive gamers, the Odyssey G5 eliminates lag and motion blur. A blazing-fast 165 Hz refresh rate ensures ultra-smooth visual transitions, while the rapid 1 ms MPRT (Moving Picture Response Time) keeps fast-paced action crisp and precise. The integration of AMD FreeSync Premium technology synchronizes the monitor's refresh rate with your GPU, effectively eliminating screen tearing and stuttering for truly seamless gameplay.

- **UWQHD Resolution (3440x1440):** Experience breathtaking detail across a massive 34-inch 21:9 aspect ratio display.
- **165 Hz Refresh Rate & 1 ms Response Time:** Guarantees seamless, stutter-free gameplay essential for competitive titles.
- **AMD FreeSync Premium:** Ensures liquid-smooth visuals under any load.
- **HDR10 Support:** Delivers superior dynamic range for brighter highlights and richer shadows with a 250 cd/m² brightness.
- **Extreme 1000R Curvature:** Perfectly matches the human eye for maximum visual comfort and immersion.

Designed for Immersion and Comfort

The Odyssey G5 features an extreme 1000R curvature, precisely matching the natural curve of the human eye. This reduces peripheral distraction and minimizes eye strain during marathon gaming sessions. Further enhancing user comfort are Samsung's integrated Eye Saver Mode and Flicker-Free technology, which reduce blue light emissions and screen flicker.

Connectivity options include both HDMI and DisplayPort inputs, ensuring compatibility with various gaming setups.

SAMSUNG is a globally recognized technology leader known for innovation in electronics, display technology, and consumer devices, consistently pushing the boundaries of performance and design

in the monitor market.

Order today from ++SHOP++ as we offer the best deals and fast delivery on high-performance gaming monitors.

The Samsung Odyssey G5 C34G55TWWP introduces a new era of gaming with its features and design. At the heart of this gaming monitor is a 34-inch curved display that boasts a UWQHD resolution, providing breathtaking visuals and a level of immersion that pulls you right into the action. HDR10 support enhances your gaming experience with vibrant colors and deeper blacks, ensuring each scene is displayed with clarity.

Designed with gamers in mind, the Odyssey G5 features AMD FreeSync Premium technology, which, when combined with a 165 Hz refresh rate and a mere 1 ms response time, offers smooth, seamless gameplay without the distractions of screen tearing or stuttering. Whether you're in the heat of battle or exploring vast landscapes, the monitor's performance remains consistently smooth. Beyond its performance, the Odyssey G5 is built for comfort. Its 1000R curvature mirrors the natural curve of the human eye, reducing strain during long gaming sessions. Additionally, Samsung's Eye Saver Mode and Flicker-Free technology further minimize eye strain, allowing you to extend your gaming sessions comfortably. With its blend of technology and user-centric design, the Samsung Odyssey G5 is not just a monitor but a gateway to new gaming adventures.
