Aprašymas

The Foldable Swivel Phone Stand is designed to elevate your viewing and working experience with a flexible design that adapts to your needs. It features adjustable height and angle settings that allow you to position your device for optimal ergonomic comfort. A 360° rotating base provides smooth and effortless orientation changes, making it ideal for calls, entertainment, and everyday browsing.

Constructed from durable aluminum, the stand offers excellent stability while supporting efficient heat dissipation during prolonged use. Anti-slip pads keep your device securely in place and prevent unwanted sliding. With wide compatibility for most smartphones and small tablets, this stand is a practical and stylish accessory for work, home, or travel.
