- ✓ Balta

Aprašymas

Smart Plug

Minimize power usage and maximize the safety

Simply speak, and watch your devices respond instantly

Connectable to Alexa to control appliances with your voice, you can try "Alexa, turn off the light".

Sophisticated and elegant

Smart Plug can also decorate your home with its all-white design that cleverly blends in with the socket.

Control all connected devices via IMOU Life App

With IMOU Life App, you can control the on/off of devices in your home anytime and anywhere and you can also set the scenario of controlling multiple devices with one click.

So many devices to plug in

Smart Plug can be adapted to all devices that require access to power allowing you to experience the convenience of a smart home without having to purchase a new one.

Set the schedule that works best for you

You can adjust the turn-on time of the devices linked to the Smart Plug according to your preference.

Take control of your energy consumption

You can use Smart Plug as a meter and view real-time power consumption through the app.

Take control of your energy consumption

You can use Smart Plug as a meter and view real-time power consumption through the app.

Significantly improved electrical safety

The Smart Plug is a child-safe outlet with anti-overload and automatic power-off functions to prevent children in the home from being electrocuted.

Easy to setup

Techninė specifikacija
