Aprašymas

The MARM2 is a high-quality dual monitor mount, designed for 13" to 27" screens and capable of supporting up to 8kg of weight per arm. This sturdy and heavy-duty mount features fully articulating arms, cable management and adjustable monitor height.

UNPRECEDENTED COMFORT AND ERGONOMICS

The MARM2 isn't just a monitor stand, it's a solution to improve your wellbeing and productivity. Its fully articulating arms allow you to adjust the position of your monitors with precision and ease. Imagine being able to tilt, swivel and rotate each screen to suit your viewing angle, helping you prevent eye strain and body pain.

AVAILABLE IN TWO VERSIONS BLACK OR WHITE

The MARM2 is available in two versions, black and white, so you can choose the one that best suits your workspace.

OPTIMIZED ORGANIZATION AND SPACE

The MARM2 doesn't just support your monitors, it also takes care of your workspace. Its integrated cable management system keeps your cables neat and organized, avoiding tangles and clutter on your desk. Plus, its adjustable lift capacity and support for up to two monitors lets you free up and make the most of your workspace.

EASY INSTALLATION AND SETUP

The MARM2 is fully compatible with VESA75 and VESA100 standards, ensuring easy installation and setup. It only takes a few minutes to mount and secure your monitors to the mount arms. With its intuitive design, you can start enjoying the benefits of a dual monitor setup quickly and hassle-free.

ARTICULATED ARMS FOR TOTAL ADJUSTMENT

The MARM2 monitor stand goes beyond conventional monitor stands. Its two fully articulating arms allow you to adjust each monitor individually to get the perfect angle and height. It reduces eye strain and stress on your neck, shoulders and back, thus improving both your productivity and your well-being.

ROBUST AND RESISTANT STRUCTURE

The MARM2 is constructed from high-grade steel, offering a sturdy and durable structure that ensures exceptional stability. You won't have to worry about unwanted movements or uncomfortable vibrations while you work. This stand provides a solid and secure base for your displays, giving you peace of mind and confidence in their performance.
