Pagrindinės savybės

- ✓ WLAN access point mount
- ✓ Brand compatibility: TP-Link
- ✓ White

Aprašymas

The APM-103 significantly enhances installation flexibility with $\pm 45^\circ$ vertical and $\pm 45^\circ$ horizontal adjustments, allowing you to easily position the Omada EAP650 D30-Outdoor and EAP650 D120-Outdoor for optimal performance. This versatile solution is designed for challenging environments, ensuring that your EAP650 D30-Outdoor can be easily reoriented to tackle any installation challenge, maximizing network coverage and efficiency.
