Unmatched Speed and Responsiveness

- **240Hz Refresh Rate:** Eliminate lag and enjoy ultra-smooth action across fast-paced scenes. The high refresh rate ensures every movement is fluid and precise, crucial for exhilarating gameplay.
- **1ms (GtG) Response Time:** React instantly to enemies. This blur-free response time means you see crucial moments exactly when they happen, providing a vital competitive advantage in time-sensitive situations.
- **Nvidia G-Sync and AMD FreeSync Premium Compatible:** Achieve effortlessly smooth gameplay. G-Sync compatibility synchronizes the GPU and panel to eliminate screen tearing, choppiness, and stuttering. Fast-action and complex game scenes are stable and stutter-free for your ultimate competitive edge.

Designed for Immersion and Comfort

The Odyssey G4 provides features that enhance both immersion and ergonomic comfort, allowing you to focus without breaking flow:

- **Ultrawide Game View:** Gain a tactical advantage by adjusting the screen ratio to 21:9. This reveals hidden areas in game scenes, giving you a wider, more encompassing view of the action, whether you are playing soccer or driving games.
- **Ergonomic Stand:** Find your perfect setup with ease. Swivel, tilt, pivot, and adjust the height of the monitor until you achieve total gaming comfort and optimal visibility of your opponents.
- **Auto Source Switch+:** Power on your connected devices and the monitor instantly detects the signal and switches sources automatically. This helps you get into the game faster without manually navigating multiple input menus.

SAMSUNG is a globally recognized leader in electronics and display technology, known for pushing the boundaries of innovation in consumer and professional markets. Their Odyssey series stands for premium gaming performance and visual excellence.

FHD resolution & IPS panel

Escape into reality-defying realism. You can see games like never before. IPS panel delivers clear colors and a wide 178° viewing angle for clarity from any viewpoint. With more pixels and greater depth, games are closer to reality than ever before.

React in real time

240 refresh rate & 1ms (GtG) response time

Speed through scenes. 240Hz refresh rate eliminates lag for exhilarating gameplay with ultra-smooth action. Jump on enemies right when you see them with a 1ms (GtG) response time and blur-free frames.

Focus without ever breaking flow

Nvidia G-Sync compatible

Effortlessly smooth gameplay. G-Sync compatibility keeps the GPU and panel synced up to eliminate choppiness, screen-lag, and image tears. Fast-action and complex game scenes are stable and stutter-free with AMD FreeSync Premium for your competitive edge.

Reveal the game's hidden sides

Ultrawide Game View

Keep your eye on the win. Adjust your screen to 21:9 to discover hidden areas in game scenes with Ultrawide Game View. Now when you play soccer games, see more of the pitch right up to the goalposts. And in driving games, get a natural and encompassing view of the road ahead.

Connect automatically, in an instant

Auto Source Switch+

Power on for instant play. With Auto Source Switch+, your monitor detects when connected devices are turned on and instantly switches to the new source signal. This helps you get to your game action faster without flipping through multiple input sources.

See your game your way

Ergonomic Stand

Reach the height of winning. Swivel, tilt, and adjust your monitor until all enemies are in perfect view. Your display can be moved freely so you can find total gaming comfort.
