100.99€

Ready to Play: Wireless

Enjoy wireless freedom at a great price. The wireless HyperX Cloud Stinger Core is a lightweight, durable headset that's ready to play on PS4™ and PS5™ systems. Chat with your friends online and enjoy clear communication with your squad thanks to its noise-cancelling microphone. Get immersed in your gaming and lose yourself in your audio entertainment with Cloud Stinger Core's rich sound. It also features onboard audio controls on the earcup and a convenient swivel-to-mute mic.

- Provides freedom from cords with its solid 2.4GHz gaming-grade wireless connection.
- Game longer with this lightweight headset and its soft, breathable ear cushions.
- The closed-cup design will help block out distractions while the 40mm drivers and enhanced bass keep you immersed in your game.

- Built to be reliable with sturdy steel sliders that adjust to provide a comfortable fit
- Convenient onboard audio controls so you can adjust volume without having to dig into system menus
- The flexible, noise-cancelling mic will give you a clear line of communication with your squadmates and can be easily muted by swiveling it upwards.
- Wireless gaming audio ideal for PlayStation systems and also compatible with PC.

Technical specification disclaimers:

Tested at 50% headphone volume. Battery life varies depending upon the usage.

Wireless range may vary due to environmental conditions.
