Aprašymas

GSS 12V-13 Professional: Further information

Product Highlights

The GSS 12V-13 Professional is the ideal companion for users who are always-on-the-go. It offers an excellent tool balance with the centre of gravity close to the workpiece and the superior ergonomics of the palm rest and grip. Its lean 12V design provides the necessary compactness for all hard-to-reach areas. It is easy to handle thanks to its intuitive operating concept and the interchangeable sanding plate system.

Equipment & Application

The GSS 12V-13 Professional is ideal for basic and in-between sanding, lacquer removal, and finishing surfaces. It can be used on wood, veneer, lacquer, and filler, as well as mineral and acrylic. It is compatible with the Bosch Click & Clean dust extraction system and the Professional 12V system.

Additional Information

It features speed selection, a battery status indicator, a dust bag, and interchangeable sanding plates in three different sizes fitted with a hook-and-loop system for fastening sanding sheets.
