Pagrindinės savybės

- ✓ High Speed grinding stainless steel
- ✓ Fast stock removal with Bosch Prisma Ceramic technology
- ✓ Works faster for longer due to the self-sharpening effect
- ✓ Cooling coating for grinding faster without overheating
- ✓ Cambered design ensures disc stays flat for maximum performance
- ✓ Click it on with X-Lock or use it with nut and thread angle grinders

Aprašymas

EXPERT R782 Prisma for High Speed Grinding Stainless Steel

Grinding down welds on fabricated stainless steel workpieces is tough and time-consuming. If the process can be speeded-up, there is a significant efficiency gain for the skilled craftsmen who do this job. And with the EXPERT R782 Prisma Fibre Disc you can grind much, much faster.

The Bosch EXPERT R782 Prisma Fibre Disc for Inox allows you to grind stainless steel much faster than conventional discs, with no compromise on quality. It therefore offers a leap forward in productivity for professionals using angle grinders.

Techninė specifikacija

Features

Type	Sanding disc
Suitable for materials	Stainless steel, Steel
Product colour	Orange

Shape	Round
-------	-------

Easy to use	Yes
-------------	-----

Weight & dimensions

Bore diameter	2.22 cm
---------------	---------

Diameter	12.5 cm
----------	---------

Packaging content

Quantity per pack	25 pc(s)
-------------------	----------
