Pagrindinės savybės

- ✓ Standard grinder adjustment with 8 grind settings to suit your preferred taste
- ✓ 3 infusion temperature profiles and Active Temperature Control to maintain a stable water temperature during extraction
- ✓ Make a Cold Brew in under 5 minutes* with Cold Extraction Technology
- ✓ Live the barista experience at home using the full accessories kit, including the Dosing and Tamping Guide to prevent grounds from falling outside the portafilter

Aprašymas

Discover a world of coffee possibilities with La Specialista Arte Evo. This barista-inspired compact coffee machine puts you in control throughout the coffee-making process. With 8 grind settings, 3 temperature profiles, Active Temperature Control and Cold Extraction Technology, it helps you craft the perfect coffee. Explore different coffee bean varieties and enjoy your favourite hot and cold drinks.

A lighter alternative to a classic coffee break

Make a refreshing Cold Brew in under 5 minutes with Cold Extraction Technology. A gentle extraction process keeps the water at room temperature, retaining the floral aroma and natural sweetness of your coffee beans.

Perfect tamping, without the mess or fuss

Enjoy the barista dosing experience without the mess. The unique Dosing and Tamping guide lets you tamp coffee without spilling coffee grinds over the countertop. The barista kit also includes a Metal tamper, Tamping mat and more accessories.

Techninė specifikacija

Specifications	
Sandėlio grupė	Home & Living > Kaffeemaschinen [+208][-38]
Performance	
Appliance placement	Countertop
Product type	Espresso machine
