## Pagrindinės savybės

- ✓ Trio Nozzle with fan, rotary, and pencil jet settings, for versatile cleaning
- ✓ Comfortable, more enjoyable cleaning with quieter motor pump
- ✓ 450-ml High-Pressure Detergent Nozzle saves time by applying soap quickly
- ✓ Extendable handle and larger wheels offer greater mobility and easier storage
- ✓ Push-fit connections and in-use gun storage for ultimate convenience

## Aprašymas

The UniversalAquatak 125 provides fast, flexible, and effortless cleaning. The Trio Nozzle handles a wide variety of cleaning tasks, from garden furniture to gutters. The fan, rotary, and pencil jet settings meet the individual challenges of each job. Save time cleaning cars with the 450-ml High-Pressure Detergent Nozzle. The extendable handle and large wheels offer increased mobility and easy storage. With a quieter motor pump, the high-pressure washer increases comfort when cleaning. Push-fit connections and in-use gun storage make cleaning simple.

## Easy-to-use - apply detergent quickly

The 450-ml High-Pressure Detergent Nozzle reduces cleaning time by applying the soap quickly. A direct connection to the lance makes it simple to use. It is the ideal solution for deep cleaning cars and garden furniture.

## Safe and convenient

In-use gun storage makes it possible to store the gun while using the high-pressure washer for safety and convenience.

## Greater flexibility

Bosch High-Pressure Washers are capable of self-priming from an external water source, such as a rainwater tank. This gives increased flexibility and mobility of cleaning.

## Techninė specifikacija

| Design                        |               |
|-------------------------------|---------------|
