Aprašymas

Citiz design

Citiz features an elegant design inspired by retro-modern style.

Temperature control

De'Longhi Thermoblock system brews your coffee at the ideal temperature. It does this by only heating the water required for each beverage.

Auto shut-off

The Auto Shut-off function will automatically shut off the power to your coffee maker 9 minutes after the last coffee brew.

19 bar pressure pump

The 19 bar pump ensures perfect in-cup results, delivering the correct amount of pressure and water flow according to the type of beverage selected.
