Aprašymas

DESIGNED AND MADE IN ITALY

Guarantee of premium quality and a neverending passion for the art of espresso making.

BEVERAGE SPECIALTIES AT YOUR FINGERTIPS

Anima Class delivers a perfect in-cup result in a few seconds and it never disappoints. Enjoy 5 coffee and milk-based drinks (of which 4 at one touch), from the traditional espresso to a foamy cappuccino, and personalize their length and strength. the machine brews also hot water to make your favorite infusion or tea.

MEMO FUNCTION

Customize and memorize the length of the available beverages simply by keeping selected the button for a few seconds.

INTEGRATED MILK CARAFE

Thanks to the fully integrated double chamber milk carafe, it is possible to prepare the foamiest cappuccinos in just one touch. The automatic cleaning cycle and the possibility to store it in the fridge make it hygienic and efficient.

OPTIAROMA

This feature gives you the unique possibility to personalize the intensity and flavour of your espresso, creating a tailor-made result by choosing the quantity of ground coffee per cup among 5 selections.

AROMA LID

The coffee beans container of Anima Class preserves the aroma in an even better way thanks to its special lid.

100% CERAMIC ADJUSTABLE GRINDERS

The resistant 100% ceramic grinders extract the purest essence from coffee beans, preventing overheating and burning. This material guarantees long-lasting performances, silence and the best in-cup result. Select among 5 options to customize your espresso, from the finest grind for a strong taste, to the coarsest for a lighter coffee.

PRE-BREWING

Unique body and taste for every espresso thanks to the pre-brewing function that implies few seconds of pause between the first shower of hot water and the actual brewing.

GROUND COFFEE OPTION

An easy solution if you would like to taste different ground coffee blends, even decaffeinated.

MILK CIRCUIT QUICK CLEAN

Right after preparing a milk based drink, this special system allows you to thoroughly clean the milk circuit in a few seconds after every use, ensuring a perfect hygiene.

AUTOMATIC CLEANING & GUIDED DESCALING

The coffee circuit is automatically cleaned when you switch the machine on or off, ensuring a perfect aroma at every use. The machine alerts you when it is time to descale it and guides you step by step through messages on the display.
