Pagrindinės savybės

- ✓ One tablet removes coffee oils and grounds. It keeps the coffee machine clean inside and maintains the brewing performance
- ✓ A convenient portion-controlled dose
- ✓ High-performance tablet: highly effective while being non-corrosive
- ✓ Perfect for the maintenance of manual espresso machines with the appropriate function
- ✓ Used regularly extends the life of your machine, preserves energy efficiency, and guarantees always the best coffee flavor and crema
- ✓ For the correct use of the product see the machine user manual. It is warmly recommended to use it with the same frequency as the descaling function. No alarm will advise of this

Aprašymas

Espresso manual coffee machines cleaner.

Techninė specifikacija

Specifications

Sandėlio grupė Kaffeemaschinen [+367][-16]
