Aprašymas

Coffee and milk are just the beginning. Discover the widest variety of coffee flavours with the new Eletta Explore, the first automatic coffee machine to offer more than 40 customisable hot and iced coffee recipes, at the touch of a button.

Bring the ultimate and most inclusive café experience into your home, combine your favourite blend of beans and milk type, choose hot or iced coffee recipes and even mix with other ingredients to express your creativity. Satisfy your unique coffee craving in the comfort of your home, or on the go with the new To-Go function.

For iced milk-based coffee drinks, use the new LatteCrema Cool, the automatic frothing jug designed to create silky cold milk foam. Enjoy balanced and consistent traditional hot coffee recipes, thanks to the LatteCrema Hot frothing system. Eletta Explore is the first coffee machine in the market offering two dedicated milk texturing technologies.

Techninė specifikacija
