Aprašymas

Meet Jabra Engage 40, the new generation of contact centre headset. The power to improve customer satisfaction is now in your hands. Our Engage+ software delivers intelligent call insights in real time to boost agent performance and enhance customer satisfaction. With innovative speech optimization and hearing protection, along with a powerful 2-microphone system, the overall audio experience is given a massive boost. You'll be comfortable too, thanks to an ultra-lightweight yet durable design, adaptive fit and comfort-enhancing ear cushions for improved noise isolation. You focus on what matters most. We'll take care of the rest.

Jabra Engage 40 is a contact centre headset that provides real-time call insights to make every customer your most satisfied customer yet. Designed for both comfort and durability, Engage 40 features a duo of intelligent microphones and a programmable control unit, to make handling calls easier than ever before.
