Pagrindinės savybės

- ✓ Powerful brushless motor delivers high power with 64 Nm and 2,100 rpm maximising your efficiency on the job site
- ✓ 13-mm metal chuck ensures increased robustness and great torque transfer for every job
- ✓ Switchable Kickback Control and switchable Precision Clutch ensure perfect control and high protection for user and tool

Aprašymas

Product Highlights

The GSB 18V-90 C Professional is a powerful cordless impact drill with a brushless motor that delivers top performance with 64 Nm and 2,100 rpm. Its compact head length of 175 mm provides perfect tool handiness. The robust 13-mm metal chuck ensures great torque transfer for every job. The impact drill holds a very high level of tool control for both, increased user health and tool protection: The HMI offers switchable Kickback Control to reduce the risk of sudden rotational torque reaction in a bind-up scenario. A switchable Precision Clutch stops the overriding once a preset torque level is reached and, thus, reduces the wear and tear of the clutch and the resulting noise.

Equipment & Application

The tool is intended for drilling in wood with a maximum diameter of 68 mm and in steel and masonry with up to 13 mm each. The GSB 18V-90 C Professional is compatible with all Bosch Professional 18V batteries and chargers (Professional 18V System).

Features

Product type	Impact driver
Handle shape	Pistol handle
Adjustable speed	Yes
Chuck diameter	1/2"
Product colour	Black, Blue
Performance	
Idle speed (max)	2100 RPM
Idle speed (min)	630 RPM
Maximum torque (soft applications)	36 N·m
Maximum torque (hard applications)	64 N·m
Power	
Power source	Battery
Battery voltage	18 V
Weight & dimensions	
Width	77 mm
Depth	175 mm
Height	210 mm
Weight	1.2 kg
Packaging content	
Battery included	No
