Aprašymas

Tangle-free tunes

Keep your music close. These splash- and sweat-resistant wireless headphones give you great sound, a comfortable in-ear fit and up to 8 hours of play time. When you need more, a quick 15-minute charge keeps the music playing for another 1 hour.

Lightweight and slim in-ear style for comfortable in-ear fit

The slim neckband is designed to fit everyone, and you can barely feel the earbuds in your ears.

Secure, flexible, comfortable

Flexible wing tips fit under the ridge of your ear, enabling a secure fit and better passive noise isolation. An oval acoustic tube and interchangeable earbud covers enable a comfortable in-ear fit. The flat headphone cable sits comfortably behind your neck whether the earbuds are in or out.

Inline remote. Easily switch from playlist to calls

Take a call, pause your playlist. All without touching your smartphone. Smart Bluetooth pairing means these headphones remember the last devices they were paired with.

Magnetic earbuds. Flat, tangle-resistant cable

These headphones have magnetic earbuds that stick together and a flat headphone cable that resists tangling. When you pull them out of a bag or pocket, you won't have to untie a knot before you can tune in to your playlist.

IPX5 splash- and sweat-resistant

With an IPX5 rating, these headphones are resistant to water splashes from any direction. You don't need to worry about getting caught out in the rain.

8 hours of play time

With 8 hours of play time, you will have enough power to keep your music going all day. A quick 15 minute charge will keep the music playing for 1 hour.

Rich bass, crisp sound with 8 mm driver

High-power 8 mm drivers are tuned to reproduce clear, crisp sound.
