Aprašymas

HiBREW H4B_GN 3-in-1 Portable Coffee Maker

Enjoy delicious, aromatic coffee wherever you go. The HiBREW H4B portable coffee maker, with its durable 2200 mAh battery, is light and compact enough to take with you almost anywhere. It heats up quickly and operates at 15 bar pressure. It comes with a special cup made of food-safe Tritan. The device is compatible with Nespresso and Dolce Gusto capsules and can also brew ground coffee. The set also includes an AC adapter and a handy carrying case.

Coffee Always at Your Side

Enjoy delicious, aromatic coffee wherever you are. The H4B coffee maker is extremely lightweight and portable—it weighs only 600 g, and thanks to its compact size, you can easily fit it in a backpack or travel bag. So you can take it with you on vacation, camping, on a RV trip, or to work. You no longer have to go without your favorite drink when you leave home! The carrying case included in the set ensures safe and convenient transport of the machine.

15 bars — perfect flavor

The coffee maker stands out with its 15-bar pressure. It's also equipped with a high-quality heating element that ensures even heat distribution. All of this means you can use it to prepare delicious coffee in the blink of an eye—coffee that will delight you with its rich aroma, velvety texture, and perfect flavor. What's more, the machine allows you to brew both hot and cold coffee.

Make Your Favorite Coffee

With HiBREW, there are almost no limits—now you can easily make exactly the kind of coffee you like. The H4B coffee maker is compatible with Dolce Gusto and Nespresso capsules. It also lets you brew ground coffee. Choose the beans you use every day or try something new! At home, at work, on vacation—with HiBREW, you can make your favorite coffee in almost any situation.

Easy to use

With the H4B coffee maker, you can easily prepare a delicious, aromatic drink. Just place the capsule or ground coffee in the appropriate slot, then fill the water tank, plug the machine in, and press the button. Your drink will be ready in about 60 seconds! You can also brew hot coffee using cold water. To do this, use the AC adapter included in the set. The coffee will be ready in about 5–8 minutes. You can also use a car charger. Note: When the device is connected via a USB cable, the heating function is not available—in this case, you can only brew coffee using hot water.

A Practical Cup

You don't need to carry extra cups with you. The coffee maker comes with a small cup. It's made of high-quality Tritan—a material also used to make baby bottles. It's BPA-free and safe for your health. All of this means you can comfortably enjoy a stimulating, aromatic espresso almost anytime.
