Aprašymas

The Microsoft Surface Laptop for Business combines performance and portability in a sleek notebook design ideal for professional environments. With a vibrant 10-point multi-touch display featuring a pixel density of 201 PPI and a brightness of 600 cd/m², visuals are sharp and engaging. The Dolby Vision IQ and Corning Gorilla Glass 5 enhance durability and image quality, making it suitable for various tasks. Equipped with Omnisonic speakers, Dolby Atmos compliance ensures an immersive audio experience, while the integrated Windows Hello webcam, complete with an Eye Contact function and background blur, supports secure access and enhances video conferencing.

This notebook is powered by an Intel Core Ultra 5 processor with an 8-core configuration, ensuring smooth multitasking and efficient performance. The 2.1 GHz clock speed can be boosted up to 4.7 GHz as needed. With up to 97 TOPS total processing performance and 40 TOPS from the Intel AI Boost, this device excels in AI-driven applications. Connectivity options are comprehensive, featuring Wi-Fi 6 and Wi-Fi 7 support, multiple USB ports, and Bluetooth 5.4 for seamless integration with peripherals. A precision haptic touchpad and backlit keyboard further enhance the user experience.
