## Pagrindinės savybės

- ✓ Boost office productivity with print speeds of up to 33 ppm and 100 ipm scanning, all within a compact design that fits seamlessly into busy workspaces
- ✓ Produce documents with exceptional clarity and vibrant colour thanks to wide-colour gamut toner technology, delivering professional-quality prints every time you need them
- ✓ Apply the right protection settings in just a few taps using the intuitive Security Navigator enjoying peace of mind with robust 360° security, including advanced safeguards like password strengthening, SMB 3.1.1, WPA3, OAuth 2.0, and SIEM integration
- ✓ Access guidance instantly through on-screen QR codes that link directly to detailed online manuals, so users can resolve issues quickly and independently
- ✓ Optimise daily tasks with the Application Library, offering tailored automation options to fit unique workflows across different industries
- ✓ Scan a wide range of document types, from everyday papers to small items like cheques and receipts, ensuring nothing important is left out
- ✓ Keep your business records safe and accessible for years with PDF/A support, the international standard for secure, long-term digital storage
- ✓ Save time with the Master set up which automatically downloads and installs software
- ✓ With the built-in fax function, the i-SENSYS MF754Cdw II lets you send and receive documents securely and quickly – ideal for handling sensitive information without relying on email or third-party services

## Aprašymas

The Canon i-SENSYS MF754Cdw II Colour Laser Printer offers fast Wi-Fi printing, faxing and scanning with a small footprint, making it perfect for home and small offices where space is limited. Designed to be easy-to-use, a clear and helpful 5-inch LCD has all the information to hand, with auto-update for latest drivers and instant guidance through on-screen QR codes that link directly to detailed online manuals.
