Aprašymas

Unleash Your Cinematic Arena

Streamline your gaming setup with the ROG Gjallar gaming soundbar and wireless subwoofer for immersive, cinematic Dolby Atmos® audio.

Inspired by the legendary Gjallarhorn from Norse mythology, the ROG Gjallar (pronounced 'ga-lar') delivers powerful and commanding sound for an expansive soundstage coverage.

The ROG Gjallar also features built-in Acoustic Echo Cancellation (AEC) microphones for clear communication, an all-in-one control hub, and multi-platform connectivity for ultimate. Engineered for ultimate control and convenience, it allows you to switch between gaming and entertainment without ever swapping devices.
