Aprašymas

The Meraki MS provides the benefits of cloud based centralized management for Meraki's revolutionary cloud-managed access switch platform. The Meraki MS Series includes built-in multi-site cloud management and monitoring and alerting tools to notify administrators of downtime and configuration changes. Through the Meraki MS Series each Meraki MS cloud-managed switch is automatically monitored from the cloud, with continuous testing for cable failures, WAN connectivity, and more. Rich web-based diagnostics let you troubleshoot your network from any web browser. Ongoing feature upgrades and enterprise support are included.
