Aprašymas

The Gembird EnerGenie EG-UPS-PS2000-02 UPS is a reliable power backup solution designed to protect your devices from power surges and interruptions. With its external form factor, it easily integrates into any setup, ensuring your equipment remains operational during power outages. This UPS is equipped with essential safety features, including overcharge and overdischarge protection, safeguarding your devices from potential battery damage. It operates efficiently across a wide temperature range, from 0°C to 40°C, accommodating various environmental conditions.

Whether for home or office use, this UPS is an essential component for maintaining the continuity of your operations.
