Aprašymas

Vertical gaming mouse with ergonomic design

The GXT 144 Rexx gaming mouse will revolutionize the way you play your games. This vertical ergonomic mouse changes the position of your arm and wrist to prevent strain during long gaming sessions. All without compromising your gaming needs!

Natural gaming

Thanks to its ergonomic design and comfortable thumb rest, you can game comfortably for hours. The vertical layout brings your underarm and wrist into a natural position which relaxes the muscles in your hand, wrist and arm. With this perfect grip, you'll exercise complete control over your in-game enemies.

Accurate control

Ergonomic not for gamers? Simply plug in the mouse and you have access to a high-grade optical gaming sensor with a DPI up to 10.000 for

accurate control. Switch DPI with the dedicated button or browse quickly through different web pages with the two thumb buttons. On top of that, the mouse has a guaranteed maximum speed of a 100 inches per second – 20G acceleration. Connect the Rexx with the 1.8mm USB braided cable and you can start gaming instantly.

Programmed to win

The advanced software allows you to alter the 6 programmable buttons so the mouse is perfectly adjusted to your preferences. Design the macros and assign the buttons to actions that will save you crucial time and increase your reaction speed. You can also choose your winning colour with the customizable RGB lighting so whatever challenge you accept, with the Rexx vertical gaming mouse you're programmed to win.
