Pagrindinės savybės

- ✓ **SIMPLE CONNECTION:** Connect your SATA III hard drives or SSDs to your PC or notebook via the widely used standard USB Type-A connector and get easy and fast access to your data anywhere
- ✓ **PROTECTED:** The IB-AC603b-U3 adapter comes with a protective box and holds a 2.5" hard disk. The box is easy to open and close with a click lock and protects the SSD from dust and shock
- ✓ **FAST DATA TRANSFER:** Two plus points to note: Your data is transferred at a comfortable 5 Gbit/s via USB 3.2 Gen 1 Type-A, and the hard disk is directly supplied with power
- ✓ **PLUG & PLAY:** Plug in and get started! Under Windows® and macOS® your computer recognises the hard disk immediately, no additional driver is necessary
- ✓ **WELL INFORMED:** The integrated, circular status LED keeps you well informed: Constant blue light indicates that the memory is connected, blinking light signals data access

Aprašymas

Useful for everyone

IT is everywhere, at home and in the office. This also goes hand in hand with storage, and that needs to be properly provided for. Our adapter including a protective box and a 16 cm long connection cable offers the right storage location for all 2.5" SATA storage media and the most common connection with the USB Type-A connector.

Toolless installation

All 2.5" SATA storage media with a height of up to 9.5 mm can be installed in a flash and without tools. No annoying search for the right accessory. For thinner storage media, foam strips are incorporated into the lid so that the SSD is always firmly embedded in the case.

Fully protected

With the adapter and its matching protective plastic box, the SSD is also protected against shocks and dust when on the move. With the universal USB 3.2 Gen 1 Type-A connection, you can find a way to exchange data comfortably and quickly practically anywhere.

Techninė specifikacija

Specifications	
Sandėlio grupė	External storage case [+39][-24]
Storage	
Storage drive size	2.5"
Supported storage drive interfaces	Serial ATA, Serial ATA II, Serial ATA III
Number of storage drives supported	1
