Aprašymas

The Gembird storage enclosure provides a reliable solution for your data storage needs. Designed to accommodate 2.5" hard drives, this external enclosure features sturdy aluminum construction, ensuring durability and long-lasting performance. With a SuperSpeed micro-USB to USB cable included, users can easily connect and transfer data at USB 3.0 speeds, enhancing efficiency in data management. This product complies with ISO 9002 and RoHS standards, ensuring safety and environmental responsibility. Ideal for those requiring a practical and efficient storage solution for hard drives, this enclosure combines functionality with an appealing design.
