Pagrindinės savybės

- ✓ 139.7 cm (55") LED
- ✓ 4K Ultra HD 3840 x 2160 pixels 16:9
- ✓ DVB-C, DVB-S2, DVB-T2
- ✓ Smart TV
- ✓ Wi-Fi Ethernet LAN Bluetooth
- ✓ High Dynamic Range (HDR) supported
- ✓ VESA mounting 200 x 200 mm
- ✓ Energy efficiency class (SDR): G 88 kWh 88 W

Aprašymas

Let your guests access their most loved content

Introducing the HBU8000, a new hospitality TV delivering premium hotel entertainment experiences. Featuring detailed UHD picture quality and access to top streaming services, Samsung's elevated in-room content solution adds a personal touch to each stay, turning new guests into repeat visitors.

Lifelike color, in its purest state with fine crystal

Dynamic Crystal Color

Elevate your hotel's entertainment experiences with Dynamic Crystal Color. With a billion shades of color, every subtlety can be seen from the comfort of the hotel room.

Sleek and slim, more than ever**AirSlim**

Increase flexibility with ultra-slim design, enabling hotel operators to create optimized room layouts that increase guest comfort.

Feel every shade of color as intended in powerful 4K**Crystal Processor 4K**

Feel every shade of color as intended. Powerful 4K upscaling ensures you get up to 4K resolution for the content you love.

Centralize content discovery and promotions**Smart Hub**

Smart Hub offers guests easy access to a variety of custom content. Guests can enjoy their favorite Netflix movies and shows from their hotel room just like at home. Furthermore, managers can add the latest hotel promotions to the home screen for natural integration into the room environment.

Enhanced sense of depth and color**Contrast Enhancer**

Contrast Enhancer ensures that every image appears more natural with incredible detail. This innovative picture technology analyzes regions of each image and dynamically adjusts the contrast, resulting in an enhanced sense of depth and color.

See dark and light in every scene**HDR**

View perfectly balanced light and dark scenes with expanded contrast for greater picture depth and nuance. Every piece of content on the HBU8000 series looks incredible.

Virtual sound that tracks the action**Object Tracking Sound Lite (OTS Lite)**

A 3D surround sound with our virtual top channel audio will allow any room, small or large, to be fully immersed in the audio experience.

The richer sounds of synergy between TV and soundbar**Samsung Q-Symphony Lite**

Construct richer in-room audio that adds depth to any piece of content. By seamlessly synchronizing the Samsung TV and soundbar, this powerful combination delivers sound simultaneously from both devices without any complicated setup.

Theater sound for every room**Adaptive Sound**

Curate a fully immersive content experience during every watch with Adaptive Sound. Movies and shows sound dynamic and clear to perfectly match what's on screen.

Optimize in-room TV placement**Adjustable Stand**

Use the adjustable stand to create the ideal TV height based on a room's design. This added flexibility creates enough room to place a soundbar below the TV for immersive visuals and sound even in compact spaces.

Free TV, no strings attached**Samsung TV Plus (US)**

Enjoy free live-streamed TV content on Samsung TV Plus. Choose from a variety of channels offering content for all interests that are currently in trend. No need to ask your friends for movies and show recommendations.

Free TV, no strings attached**Samsung TV Plus (EU)**

Enjoy free live-streamed TV content on Samsung TV Plus. Choose from a variety of channels offering content for all interests that are currently in trend. No need to ask your friends for movies and show recommendations.

Effortless streaming without worries

Enjoy movies, shows, photos and more on the TV in your room with AirPlay or Smart View. Your devices are securely paired to the TV, ensuring peace of mind that everything stays personal and private.

Uncover hospitality insights with an integrated cloud platform

LYNK Cloud

Empower hotel managers with a powerful set of tools to enhance the guest experience. LYNK Cloud provides remote display management and can even analyze guests' content use to uncover marketing insights, helping hotel managers to deliver optimized promotions.

Techninė specifikacija

Specifications
