Pagrindinės savybės

- ✓ PCIe 4.0 x4, up to 64 Gbit/s
- ✓ Supports M.2 sizes of 22x30/42/60/80 mm
- ✓ Optional full and half profile slot bracket
- ✓ Including a massive heat sink with a blue LED highlight
- ✓ Compatible with Windows® 10

Aprašymas

Future-proof expansion

With the PCI expansion card you can easily upgrade older systems to the new level. You can experience all the advantages of a fast M.2 SSD without having to rebuild the whole system again.

Customizable

The IB-PCI214M2-HSL contains both a full and a half profile cover. This means that it can be used in almost any type of housing without any problems. In addition, M.2 SSDs with the dimensions of 22x30/42/60/80 mm can be installed. No matter what configuration you need, the IB-PCI214M2-HSL gives full throttle in any setting.

Speed until the board glows

The current M.2 NVMe SSDs achieve more than five times the speed of traditional SATA SSDs. This enormous power naturally generates a lot of waste heat on the small M.2 cards. In order to protect the card and the system, the speed is throttled if the SSD heats up too much. The IB-

PCI214M2-HSL offers enough cooling power with the enclosed heat conduction pads and the large heat sink so that you can enjoy the full power of your M.2 SSD at all times.

Power and design

The massive heat sink is not only responsible for temperature control. The integrated acryl glass highlight is illuminated by LEDs and immerses the system in a rich blue tone.

Techninė specifikacija

Specifications	
Sandėlio grupė	I/O Cards & Adapters [+343][-152]
Ports & interfaces	
Host interface	PCIe
Output interface	M.2
Expansion card standard	PCIe 4.0
NVMe	Yes
Number of M.2 (M) slots	1
Design	
Internal	Yes
Product colour	Black
Cooling type	Passive
LED indicators	Yes
Country of origin	China
Features	
Data transfer rate (max)	64 Gbit/s
System requirements	
Windows operating systems supported	Windows 10, Windows 10 Education, Windows 10 Education x64, Windows 10 Enterprise, Windows 10 Enterprise x64, Windows 10 Home, Windows 10 Home x64, Windows 10 IOT Core, Windows 10 IoT Enterprise, Windows 10 Pro, Windows 10 Pro x64, Windows 10 x64
Technical details	
Compliance certificates	CE
Sustainability compliance	Yes
Weight & dimensions	
Width	115 mm
Depth	16 mm
Height	60 mm
Weight	23 g

Packaging data

Mounting brackets included	Yes
Manual	Yes
Package width	155 mm
Package depth	28 mm
Package height	205 mm
Package weight	345 g

Logistics data

Harmonized System (HS) code	84718000
Products per master (outer) case	40 pc(s)
Master (outer) case width	330 mm
Master (outer) case length	500 mm
Master (outer) case height	300 mm
Master (outer) case gross weight	12.1 kg

Other features

Material	Metal, Plastic
